

# Blessing EMF's to Balance Other Energies

## By Joey Korn

Dear God, please bless the spiraling energies  
Radiating from that clock/phone/TV, etc.  
So that no matter which way it's turned or placed  
They will blend with the energies of the Bed Pattern,  
The Human Energy Pattern, the chakra system,  
The meridian system, and the physical body  
And will balance any imbalances in those energy systems  
To create an ideal energy environment  
To support me/him/her/us in my/his/her/our life  
To draw me/us/him/her ever closer to my/our/his/her  
Highest potential as a spiritual being(s) of Light.  
Thank you God,  
Amen.

Simple Version:

Dear God, please bless the spiraling energies  
Radiating from that device  
To bring healing and balance to my/his/our complete being(s)  
Physically, emotionally, mentally, and spiritually.  
Thank you God,  
Amen.
