Dowsing combined with prayer and blessing is the most powerful tool Joey has ever found to help you heal, grow spiritually, and take charge of your life.

- Learn specific techniques to immediately balance your energies and the energies around you.
- Realize the benefits of how a balanced energy pattern helps us to react more appropriately, mentally and emotionally and take more appropriate action to resolve our issues in life.
- Learn about our direct relationship with Earth energies and better understand how imbalances in our own Human Energy Patterns can be a primary source of what many call “geopathic stress.”
- Learn to imbue any object (keys, jewelry, eye glasses, lipstick), substance, or space with beneficial energies to support you in life.
- Learn simple keys to keeping your energy channels clear, balanced, and beneficial.

Workshop~ Sat., July 19, 10:00-5:00 Sun., July 20, 10:00-5:00 Optional 3rd day Mon., July 21, 10:00-4:00

Workshops will be at Martha Cook's studio off Jefferson River Rd. (about 15-20 minutes from downtown)

Joey will teach you his system of dowsing & energy work that you can immediately apply into your life. We'll begin with the basics of dowsing, using Joey's own techniques to find various kinds of detrimental subtle energies, including:

- Four different types of Earth energies
- Human-related energies
- Electrical fields around appliances (EMFs)

You will then learn to change any detrimental subtle energy fields that weaken you into beneficial energy that strengthens & nurtures you, including all of the above energy fields. Joey will share his “Kabbalah connection to dowsing.” He has found the kabbalistic Tree of Life in a tangible (dowseable) pattern of energies around every human being. You'll learn to dowse your own personal Tree of Life and the patterns of others, detect imbalances in those patterns, and learn what the imbalances are related to. You'll learn to correct those imbalances in many different ways with Joey's “Simple Blessing Process.” Joey will teach you to find other levels of the Tree of Life, making what he calls the Bed Pattern, the Room Pattern, the House Pattern and Earth energy grids that course the Earth. You'll experience an incredible, dynamic connection we each have with all of these Earth energies to help you create ideal energy environments to support what you most desire in life. You'll learn much more than we can explain on this flyer. Joey's work is simply amazing.

Optional Day 3 Workshop: Remote Dowsing & Energy Work Monday, July 21, 10:00-4:00pm

You will learn to find more Earth energies that are in all of our homes. You'll participate in an actual Remote Spiritual Housecleaning Session, dowsing and changing the energies in a location that could be anywhere in the world. You'll also do a remote EMF dowsing and balancing session through using Google Earth.

Two-Day Workshop—\$195 by June 30, \$225 after Optional Third Day—\$95 by June 30, \$110 after .

All Three Days—\$290 by June 30, \$330 after. The Two-day Workshop is a pre-requisite to Day 3

The Tree of Life
in Kabbalah

The Tree of Life and the Human Energy Pattern

Joey has found what he considers to be the human soul level of the Tree of Life in a pattern of energies around every human being, what he calls the Human Energy Pattern (HEP). The HEP is an array of seven mated pairs of lights or channels of energy. Each pair is associated with a different aspect of your life.

Imbalances in your life, as a result of illness, trauma, or unresolved issues, manifest as imbalances in your HEP. We “hook up” to the energy centers in this pattern with what Joey call’s the “two lights of the soul.” Imbalances in your life can be brought into balance with prayer and blessing, thereby helping you to heal and resolve your key issues in life.

What is Kabbalah?

Kabbalah is an oral teaching that has been handed down from teacher to student for thousands of years. It represents the essence of Jewish mysticism and has been adapted into many spiritual traditions, including Christianity, the religions of the East, and many Mystery Schools. The Tree of Life is the central feature of Kabbalah.

Legend tells us that before God created the universe, our Creator put the Tree of Life into place.

It became the pattern for all of Creation, especially for the human being.
