Lecture: Spiritual Space Clearing from the Inside Out

Thurs., June 5 7:00 pm Casa de Luz, 1701 Toomey Rd, Austin, TX 78704

Modern day mystic, Joey Korn brings new and unique understandings to the true nature of geopathic stress. Are there really detrimental Earth energies in our living space that can cause illness and other problems in our lives? Or, is it the other way around? Joey will demonstrate that we are at the core of changes in the subtle Life Force energies, that we affect them more than they affect us. The energies of the Earth, especially in our homes, constantly reflect us back to us, supporting us in everything we do in life, even the “harmful” things we do. If you balance all the people connected to the home with blessing, it usually balance all the natural energies in the home. The more we understand about our intimate relationship with the energies of the Earth, the more we can take charge of the process to create and sustain ideal energy environments to support us in life, especially with the blessing process, what Joey considers the most powerful force that we have at our disposal.

Weekend Workshop~ Sat & Sun., June 7 & 8 9:30-5:30pm Optional 3rd day Mon., June 9

To be held at a Private residence in South West Austin

Joey will teach you his system of dowsing & energy work that you can immediately apply into your life. We'll begin with the basics of dowsing, using Joey's own techniques to find various kinds of detrimental subtle energies, including:

- Four different types of Earth energies
- Human-related energies
- Electrical fields around appliances (EMFs)

You will then learn to change any detrimental subtle energy fields that weaken you into beneficial energy that strengthens & nurtures you, including all of the above energy fields. Joey will share his “Kabbalah connection to dowsing.” He has found the kabbalistic Tree of Life in a tangible (dowseable) pattern of energies around every human being. You'll learn to dowse your own personal Tree of Life and the patterns of others, detect imbalances in those patterns, and learn what the imbalances are related to. You'll learn to correct those imbalances in many different ways with Joey's “Simple Blessing Process.” Joey will teach you to find other levels of the Tree of Life, making what he calls the Bed Pattern, the Room Pattern, the House Pattern and Earth energy grids that course the Earth. You'll experience an incredible, dynamic connection we each have with all of these Earth energies to help you create ideal energy environments to support what you most desire in life. You'll learn much more than we can explain on this flyer. See more Benefits of Attending Joey's Workshops [by Clicking Here](#)

The Tree of Life
in Kabbalah

The Tree of Life and the Human Energy Pattern

Joey has found what he considers to be the human soul level of the Tree of Life in a pattern of energies around every human being, what he calls the Human Energy Pattern (HEP). The HEP is an array of seven mated pairs of lights or channels of energy. Each pair is associated with a different aspect of your life.

Imbalances in your life, as a result of illness, trauma, or unresolved issues, manifest as imbalances in your HEP. We “hook up” to the energy centers in this pattern with what Joey call’s the “two lights of the soul.” Imbalances in your life can be brought into balance with prayer and blessing, thereby helping you to heal and resolve your key issues in life.

What is Kabbalah?

Kabbalah is an oral teaching that has been handed down from teacher to student for thousands of years. It represents the essence of Jewish mysticism and has been adapted into many spiritual traditions, including Christianity, the religions of the East, and many Mystery Schools. The Tree of Life is the central feature of Kabbalah.

Legend tells us that before God created the universe, our Creator put the Tree of Life into place.

It became the pattern for all of Creation, especially for the human being.
