**Workshops will be held at the Activity Haven, Senior Centre, 180 Barnardo Ave. [Activityhaven.com](http://Activityhaven.com)**

Joey will teach you his system of dowsing & energy work that you can immediately apply into your life. We'll begin with the basics, using Joey's own techniques to find various kinds of detrimental subtle energies, including:

- Four different types of Earth energies
- Human-related energies
- Electrical fields around appliances (EMFs)

You will then learn to change any detrimental subtle energy fields that weaken you into beneficial energy that strengthens & nurtures you, including all of the above energy fields. Joey will share his “Kabbalah connection to dowsing.” He has found the kabbalistic Tree of Life in a tangible pattern of energies around every human being.

You'll learn to dowse your own human energy pattern (personal Tree of Life) and the patterns of others, detect imbalances in those patterns, and correct those imbalances in many different ways with Joey's Simple Blessing Process. Joey will teach you to find other levels of the Tree of Life, making what he calls the Bed Pattern, the Room Pattern, the House Pattern. and Earth energy grids that course the Earth. You'll experience the dynamic connection we each have with all of these Earth energies to help you create ideal energy environments to support what you most desire in life. You'll learn much more than we can explain on this flyer. Joey's work is simply amazing.

### **Optional Day 3 Workshop: *Remote Dowsing & Energy Work* Monday, Oct. 19 10:00-4:00pm**

You will learn to find more Earth energies that are in all of our homes. ## **The Tree of Life and the Human Energy Pattern**

Joey has found what he considers to be the human soul level of the Tree of Life in a pattern of energies around every human being, what he calls the Human Energy Pattern (HEP). The HEP is an array of seven mated pairs of lights or channels of energy. Each pair is associated with a different aspect of your life.

Imbalances in your life, as a result of illness, trauma, or unresolved issues, manifest as imbalances in your HEP. We "hook up" to the energy centers in this pattern with what Joey call's the "two lights of the soul." Imbalances in your life can be brought into balance with prayer and blessing, thereby helping you to heal and resolve your key issues in life.

## **What is Kabbalah?**

Kabbalah is an oral teaching that has been handed down from teacher to student for thousands of years. It represents the essence of Jewish mysticism and has been adapted into many spiritual traditions, including Christianity, the religions of the East, and many Mystery Schools. The Tree of Life is the central feature of Kabbalah.

Legend tells us that before God created the universe, our Creator put the Tree of Life into place.

It became the pattern for all of Creation, especially for the human being.
