I call this process Divine magic! Better yet is to see the beneficial changes in your life. You will experience how the simple blessing process can keep you balanced, present and aware amidst stresses and strains of everyday life."

The Tree of Life

Get to the Source of Geopathic Stress

Joey has found what he considers to be the human soul level of the Tree of Life in a pattern of energies around every human being, what he calls the Human Energy Pattern. Your negative reactions to the stresses and strains of life manifest as imbalances in your pattern. These imbalances reflect out as detrimental Earth energies throughout your home, in the same repeating patterns. The more intense the imbalances within you and your family are, the more detrimental energies will be in your home. Joey considers this to be the foundation of what many call "geopathic stress." You'll learn to find and balance all these energies quite easily and keep them balanced and beneficial with the Simple Blessing Process.
