Joey reveals his powerful techniques in lectures and workshops that he conducts across the country, in his Web site at [www.dowers.com](http://www.dowers.com), and in his book, *Dowsing: A Path to Enlightenment*.

**Dowsing: A Path to Enlightenment  
Revised Edition. \$16**

Joey's new revised book, with five new chapters, starts with basics of dowsing and progresses through advanced dowsing and energy work techniques. It will help you improve your life with Joey's groundbreaking understandings about the energies that support all of life.

**Remote Spiritual Housecleaning Services**

Joey can explore the subtle energies anywhere in the world from his home. He has developed a system to connect directly to you, your family, and the energies in your home. He can detect your Human Energy Patterns and Bed Patterns, as well as the other human-related energies, Earth energies, and electromagnetic fields (EMFs) throughout your home. After his assessment, he will work with you to change all energies to be beneficial and can bring in new beneficial energies to help draw whatever you most desire into your life. Call to schedule an appointment with Joey. The entire process takes about an hour and includes a free follow-up. \$200

"Your philosophy of energy, dowsing and healing resonated with me far more than the ideas of almost anyone else I've listened to. Your approach is a happy blend of quantum physics and sound spiritual teachings born of experience." ~Horace

"You taught me a most wonderful & amazing gift...the power of blessings and prayers. Power that changes & shifts the entire energetic vibration of whatever it is you bless." ~Jody

**The Retreats at a Glance**

We'll have dinner for you when you arrive on the first evening. Formal teachings begin Thursday morning for five-day retreats. Lodging typically is double occupancy. Sometimes we can arrange for a private room for an additional fee. Couples get a room to themselves. Lodging and meals will be provided. The food is varied and delicious. We customize our menus around participants' food preferences. Everybody raves about our meals. Participants say that just the food & lodging is worth the retreat price and Joey's teachings are a bonus! *And we always have a lot of fun!*

You'll have time to learn my techniques, sharpen your skills, and let real understanding come into place. You'll learn to find and work with major Earth energy leys and power spots, something I rarely have time to teach in my workshops. You'll learn about our amazing connection to the energies that are everywhere around and within us. We will have informal discussions and wonderful fellowship in the evenings. It will be a magical time for all.

*I describe this experience as Divine Wizardry 101.*

## ***Dowsing, Healing & the Power of the Blessing Process***

You will begin by learning Joey's unique techniques of dowsing, including how to detect and identify various kinds of beneficial and detrimental subtle energies in your living environment. Then you'll learn to use prayerful statements of intent to:

- Change detrimental energies, that cause geopathic stress and can make you sick, into beneficial energies that strengthen you, heal you, and enhance your moods and your relationships
- Attract new beneficial energies, such as energy leys and power spots, into your living environment
- Transmute the harmful emanations of electromagnetic fields (EMFs) that radiate from TVs, computer screens, microwave ovens, power lines, electrical transformers, etc. into beneficial energies that support and strengthen you
- Attract what you most desire into your life, drawing you ever closer to your highest potential as a spiritual being of light, as a co-creator with the Eternal
- Detect and work with the "two lights" of the soul that each of us has attached to us

*You'll also learn about one of Joey's most significant discoveries, which has a direct connection to Kabbalah and a direct connection to you.*

## ***Advanced Dowsing, Energy Work & the Universal Matrix***

Each day will build to apply what you learned the previous day to your particular situations and goals in life. Then you'll learn to:

- Dowse with just your hands and arms, the bridge to true deviceless dowsing, which you'll learn
- Detect detrimental energies anywhere you can see and change them to be beneficial
- Charge EMFs (electromagnetic fields that radiate from appliances) with specific frequencies to help you in your life. You can actually use EMFs to help keep your own energy patterns balanced. I love EMF's! You won't learn this anywhere else!
- Charge any object with the Life Force, creating real amulets to help bring healing, balance, & resolution to any issues or conditions in your life
- Detect & work with the kabbalistic Tree of Life in the Bed Pattern and the Human Energy Pattern. The Tree of Life is around every human being and it can be dowsed.
- Experience & work with the Universal Matrix, a matrix of energies that is everywhere around and within you, mirroring you back to you

## **Everything else will be beyond what I cover in my regular workshops.**

You'll grow to understand our intimate connection with all the energies in our living environment. You'll learn to find and work with five different kinds of Earth energies. You'll learn how to make and keep all the energies within and around you beneficial and supportive of what you most desire to bring into your life.

Joey will also conduct a Remote Spiritual Housecleaning Session. (See back of this brochure.) He'll connect to a remote place, typically a home, and to the people who live there, and then dowse and change the energies there. Everyone will participate in this process.

*You can't learn this work from anyone else on the planet! It can be life changing.*

## ***Working to Resolve Your Key Issues In Life***

Joey will use his Kabbalistic Energy Work techniques to help you better understand and resolve your key issues in life. He uses dowsing to identify imbalances in your Human Energy Pattern, your own personal Tree of Life. This is what he calls "dowsing your subconscious," because the imbalances are there due to your key life issues, even when you're not thinking about your issues. Then he'll dowse to see how you react with your personal Tree of Life while you're consciously thinking of your issues. He will then give you insights into what is keeping your issues unresolved and he'll offer "keys to resolution," things you can do to resolve the issues. And you'll learn the basics of how to do this too.

"Of all the great workshops around the world we have participated in, you are rated TOP #1. We had a truly fabulous time. Thanks a million!"

## ***Repeat a Retreat and Get a Free Remote Housecleaning Session***

You get so much more out of a retreat when you repeat it. Compare it to watching a movie like The Sixth Sense, where you don't really figure out what's going on until near the end. Then you watch it again, and it all makes so much sense. That's the way everyone feels who repeats our retreats. They think I'm sharing different info for the first time, when I've shared it all before.
