

Simple Blessings over Medication and Radiation Therapy

By Joey Korn

The Simple Blessing Process over Medication

This blessing can be said over medication taken orally and any liquids going in the body through an IV, including chemotherapy. The ... symbols represent brief pauses.

Dear God (or however you address the Divine),
Please bless this medicine and charge it with energy
To bring healing and balance to my (or name's) complete being,
Physically... Emotionally... Mentally.... and Spiritually...,
And especially so that it will do what it supposed to do to heal the body
And to alleviate the effects of any harmful ingredients
As much as possible.
Thank you.
Amen.

The Simple Blessing Process Over Radiation Therapy Machine

Dear God (or however you address the Divine)
Please bless that device,
And the energy field radiating from it,
To bring healing and balance to my complete being,
Physically... Emotionally... Mentally.... and Spiritually...,
Especially so that the energy
Being radiated into my (or person's name's) body
Will do what it's supposed to do to eliminate cancer,
While alleviating the harmful affects on my/his/her body.
As much as possible.
Thank you.
Amen.
