Joey finds dowsing combined with the Blessing Process to be the most powerful tool we each have at our disposal to help us heal, grow spiritually, and take charge of our lives. In his workshops, you will:

- Learn specific techniques to balance your energies and the energies around you immediately.
- Realize the benefits of how a balanced and clear Human Energy Pattern helps us to react more appropriately, mentally and emotionally, and take more appropriate action to resolve our key issues in life.
- Learn about our direct relationship with Earth energies and better understand how imbalances in our own Human Energy Patterns can be a primary source of what many call "geopathic stress."
- Learn to charge any object (such as keys, jewelry, eye glasses, etc.), substance (such as food & water), or space (your home and office) with beneficial energies to support you and improve your life and the lives of others.
- Learn Joey's brand new technique to help keep your Human Energy Pattern clear and balanced 24 hours a day.

Workshop~ Sat., June 16 & Sun., June 17, 10:00-6:00 Optional 3rd day Mon., June 18, 10:00-5:00

Workshops will be at The Ranch Clubhouse, 1800 Ranch Rd, Steamboat Springs, CO 80487

Joey will teach you his system of dowsing & energy work that you can immediately apply into your life. We'll begin with the basics, using Joey's own techniques to find various kinds of detrimental subtle energies, including:

- Four different types of Earth energies
- Human-related energies
- Electrical fields around appliances (EMFs)

You will then learn to change any detrimental subtle energy fields that weaken you into beneficial energy that strengthens & nurtures you, including all of the above energy fields. Joey will share his "Kabbalah connection to dowsing." He has found the kabbalistic Tree of Life in a tangible (dowseable) pattern of energies around every human being. You'll learn to dowse your own Human Energy Pattern (personal Tree of Life) and the patterns of others, detect imbalances in those patterns, and learn what the imbalances are related to. You'll learn to correct those imbalances in many different ways with Joey's Simple Blessing Process. Joey will teach you to find other levels of the Tree of Life, making what he calls the Bed Pattern, the Room Pattern, the House Pattern, and Earth Energy grids that course the Earth. You'll experience an incredible, dynamic connection we each have with all of these Earth energies to help you create ideal energy environments to support what you most desire in life. *You'll learn much more than we can explain on this flyer. Joey's work is simply amazing.*

The Tree of Life and the Human Energy Pattern

Joey has found what he considers to be the human soul level of the Tree of Life in a pattern of energies around every human being, what he calls the Human Energy Pattern (HEP). We imprint it where we sleep as the Bed Pattern. This same pattern is around every room, around your home, and it repeats itself endlessly in the Energies of Creation. Imbalances in Human Energy Patterns are at the core of most energy problems in our homes. Joey finds that dowsing and working with this repeating pattern of energies is essential in doing effective and lasting space clearing in homes, businesses, and properties.

What is Kabbalah and the Tree of Life?

Kabbalah is an oral teaching that has been handed down from teacher to student for thousands of years. It represents the essence of Jewish mysticism and has been adapted into many spiritual traditions, including Christianity, the religions of the East, and many Mystery Schools. The Tree of Life is the central feature of Kabbalah. Legend tells us that before God created the universe, our Creator put the Tree of Life into place as a pattern for everything else in Creation.
