

Introduction to Joey Korn's Remote Spiritual Personal and Space Clearing Sessions

Thank you for your interest in my Remote Personal Energy and Space Clearing Services. This article provides an overview of what to expect in a session with me. If you'd like to schedule an appointment, please call or email us. Our contact details are listed at the bottom of each page. If you've already scheduled a session, I will send a Zoom link within an hour before our scheduled time. If you haven't received it 15 minutes prior, please call us at 706-733-0204 or 706-736-9573.

What to Expect: Before our session, it would help to have the first names of your immediate family members, the ages of children under 12 years old, and anyone else living in the home. I will assess the energies of each family member and others who might be connected there. However, if you feel the need to share more details beforehand, you can email me or talk with my wife, Jill. Once we begin our session and I give you my initial assessment, *you can tell me anything about what is going on and we will discuss the situation*. Know that I do not need a lot of details, just significant info about your concerns.

Time to Allow: A complete Zoom session will take between 75 and 90 minutes, depending on the number of homes, how much time we spend in discussion, etc. Sometimes it takes longer. *Please let me know at the beginning of our session if you have any time restraints.*

Session Fees

- **Remote Personal Energy and Space Clearing** (Home & Family or Small Business/Workplace): \$300 per session; \$250 for repeat clients. Additional homes/offices: \$50 each (or less, depending on circumstances).
- **Financial Assistance:** If the fee creates a financial burden, I offer alternative options or reduced rates—just let us know. We'll do our best to make it fit what you can afford.
- **Included Bonus:** Each client receives access to an in-depth lecture video, typically sold for \$50, at no additional charge.
- **Payment Methods:** We accept Zelle (preferred), Venmo, and all major credit cards. Payment is usually arranged at the end of the session, but prepayment is available.

How the Session Works: Before our scheduled appointment time, I establish an energetic connection with you, your home, and your family, through a blessing process with the intent to do so. This creates a holographic energetic imprint of your home over my home, allowing me to dowse the energies in my home as if I were exploring the energies of your energy environment. I will then identify energy imbalances, related to:

- Human Energy Patterns (yours, family members, and others energetically connected to your home)
- Earth energies (underground water, energy grids, and energy leys, all of which appear in repeating patterns that I will help you understand)
- Electrical fields from appliances
- Pets
- Any other significant energies affecting you

I can also use this connection to validate that the Miracle Blessing Process has worked for you.

Understanding Your Energy Environment

We are all energy beings, living in an everchanging field of subtle energies. We create the energetic environment in our home by living in it. This means:

- The energies of you, your family, and other people living in or energetically connected to your home can affect your energetic environment.
- Interference Energy, often linked to stress, fear, or external exposure (e.g., hotel stays), is increasingly common and can spread like an energetic virus. This is the primary cause of energy problems within people's beings and in their homes and offices.
- Earthbound Spirits, or human beings who have passed on, usually loved ones, that have gotten themselves stuck in the next dimension for various reasons. This is much less common than Interference Energy.

Benefits of a Session

Clients report:

- An energetically lighter, more peaceful home environment
- Improved sleep and increased energy
- Reduced anxiety and stress
- Enhanced clarity, focus, and emotional balance
- Stronger relationships and a sense of well-being
- Calmer pets
- Cessation of paranormal activity (if previously experienced)

Learning to Clear Energy Yourself and Follow-Up Clearing

- **Initial Assessment:** I will begin our session with an initial assessment about what I will have found that is causing energy problems for you, your family, housemates, and others connected to your home. (about five minutes)
- **Discussion of What Is Going On:** We will then discuss why it is that you want to have a session with me, including concerns you might have for yourself and your family. (about 15 to 20 minutes)
- **Empowering You:** During our session, I'll give you a PowerPoint presentation to help you understand how to clear most if not all of the energy problems yourself. (about 45 minutes)
- **Doing the Clearing Work Yourself:** Near the end of our time together, you will clear all or most of the energy problems yourself quite easily, and Joey will confirm that it has worked for you. However, if there happens to be an Earthbound Spirit hanging around, I will help this soul to move on to the Higher Realms, and you will participate. If you suspect you know who it is, Joey may be able to confirm that by working with you. (10 to 20 minutes)

- **Blessing Resources:** After our session, you'll receive detailed instructions and blessing process files to maintain your energy environment. Then you'll be able to keep your energies, as well as the energies of your family and home, balanced and beneficial to support everyone.
- **One Free Follow-Up:** Within 90 days, I offer one free energy check and clearing upon your request, with email feedback. If needed, we can also schedule a brief phone call or Zoom session.
- **Exclusive Resources:** You'll also gain access to my in-depth 2.5-hour lecture video on clearing energy, normally sold for \$50, at no extra charge. In this presentation, you'll learn much more detail about how I was led from within, through a series of findings in my dowsing and blessing work over the many years, to discover Interference Energy as the primary cause of energy problems in homes and offices, how to clear it for my clients, and ultimately, how just about anyone can clear almost all energy problems on their own with Joey's Miracle Blessing Process.

How I Work with Subtle Energies: My approach is not intuitive or psychic; I use dowsing to detect imbalances in the subtle energies that fill and surround us, and I use Blessing Processes to clear them, which I will teach you to do. Through years of experience, I have discovered:

- The **Human Energy Pattern**, a unique energetic blueprint that is connected to us..
- That we imprint our Human Energy Pattern around our beds and other places we lie down, in what Joey calls **the Bed Pattern**.
- The role of **Earth Energies**, which act as energetic mirrors, constantly reflecting us back to us.
- That the Earth Energy imbalances, or so-called "**geopathic stress zones**," are not the cause of our energy problems, but are symptoms, the cause of which is usually Interference Energy that needs to be cleared or, more accurately, removed.

Additional Services & Fees

- **Energy Clearing for Businesses & Large Properties:** Fees vary based on size, number of buildings on the property, and complexity.
- **Moving Into New Homes:** Joey will dowse and clear your new home before you move in, as well as coaching you to clear your current home. Then after you move out of your former home, Joey will remove you and your families' energy pattern imprints, so you won't be affected by the energies of future occupants. He'll then bless your new home again, after you've moved in. If you've already moved, we will take care of it all in one session. The cost for this is the same as a regular session.
- **Subscription Program:** Ongoing clearings at a reduced rate for those needing regular energy maintenance. Joey can send a separate description of how this works.
- **Clearing Travel Stays:** \$100 per location (hotels, vacation rentals, etc.) This includes clearing the hotel room, vacation rental, etc. before your stay there, and he will remove your energy pattern imprint(s) after you leave, so you won't be affected future occupants.
